ADDED APPROVAL FOR LITE KITS

Mohawk has added the approval for "listed" vision kits to be installed in our 20 Min. Positive Pressure, Category A doors, manufactured with Tecnofire 2000 at the top rail. The approval includes any "listed" Positive Pressure rated vision frame, with the following parameters:

Maximum Width 24"

Maximum Height 54"

Maximum Area 1296 sq. in.

The light cutouts must be located a minimum of 5" from the edge of the door or to any hardware cutouts. For further information, please see the specifications or Spec-Direct.
