

New Standard for Rift Oak

As a result of potential aesthetic concerns relative to Rift Cut Oak, effective immediately, Mohawk will discontinue Book Matching these skins as standard.

Our new company standard will be Slip Matched.

Mohawk will continue to offer Rift Cut Oak with Book Matched faces by special request only. We must caution our customers that we will not warranty the affect of “Barber Poling” to any degree on Book Matched Rift Oak. With changing standards, and minimal panel widths permitted in this grade, maintaining color consistency from panel to panel, is virtually impossible.

If you have any questions regarding this matter, please do not hesitate to contact one of our sales associates.
